

From Johannesburg Airport, take the R24 towards Johannesburg.

Take the Kimberley/Bloemfontein N12 off ramp and follow the Kimberley signs until you see the Potchefstroom off ramp.

Take the Kimberley/Potchefstroom N12 off ramp towards Potchefstroom.

Travel for +- 100km and go through Potchefstroom, Stilfontein to reach Klerksdorp without turning anywhere. (Basically once you pass Potchefstroom the next robots will be in Klerksdorp, Stilfontein is a small place with no Robots. You will see mining signs in Stilfontein)

After entering Klerksdorp pass 4 Robots and take the left off ramp to get onto the bridge that crosses over the N12.

Turn left at the Robot and go through town until you reach the Checkers Centre on your right hand side.

We are situated in the big building across from Checkers (Jade Square). You will see there is a car dealership. We are in there.

Second floor, Room 201. Door on your left when you get out of the lift.
