

Brainwave LED Key Loop

Product Code: KH-AL-85-B
Availability: Out Of Stock
Weight: 0.00kg
Dimensions: 55.00mm x 20.00mm x 20.00mm

Description

Never be caught in the dark again with this nifty pocket-sized Altitude Brainwave LED Key Loop. Made from PP, the light bulb-shaped LED light can be attached to just about anything by its cord, which also functions as an on/off switch. Simply pull the cord when you need to light the way. Add it to your keyrings, belt pocket, or handbag and have it branded to shed some light on your brand! Available in plain colours. Batteries included.

PLEASE NOTE: order minimum of 20 units or more.
